## Tim Fitzpatrick - Trump Controlled by KGB-Mossad Part VII

March 16, 2025

**SHE WAS 13 YEARS OLD**

A high-contrast, black and white illustration. It shows a woman's profile facing left, looking down at another woman who is lying on her back. The woman on top has her hand raised, pointing her index finger directly at the other woman's face. A speech bubble originates from the woman's mouth, containing the text: "You Say Anything And I Will Destroy You! YOU GOT THAT?"

# HE WAS 58

"Hopefully by now, one can see that Trump is a sexually compromised pervert controlled by a joint KGB-Mossad compromise (*kompromat*) operation to direct the U.S. presidency towards world Communist aims, which is less overt than control through the Democrat side of things, since Trump poses as a conservative and, laughably, a Christian."

***Trump Controlled by KGB-Mossad Part VII***

**<https://fitzinfo.net/2025/03/16/trump-controlled-by-kgb-mossad-part-vii/>**

By Timothy Fitzpatrick  
(henrymakow.com)

It's been nearly five years since this author wrote **the last piece in this series and a lot has happened**, but nothing that wasn't difficult to predict. Only the level of depravity and treason is shocking. This and the following installment will provide more evidence of Trump's treason and perhaps tie up any loose ends in this traitorous affair.

Star witness Giuffre seems to confirm Farmer's claim of Trump's sexual abuse of teens

The star witness in the whole Epstein affair arguably is Virginia Giuffre (formerly Roberts). Although she has denied personally seeing Trump abuse underaged girls, she admitted that he knew about the abuse at the hands of Epstein and Maxwell but did nothing. Interestingly, she seems to support the testimony of Maria Farmer, a lesser known Epstein witness, about whom this author wrote in Part VI, where Trump and his then wife Ivana were facilitating and participating in the child sex abuse. On January 14, 2021, this author tagged Giuffre with a specific quote from Farmer and a link to Part VI of this series.[1] She

liked the Tweet.

This author made a screen recording of it to prove the like, in case someone suspected photoshopping of the screen capture.[2] Farmer's testimony seems very credible. There doesn't seem to be a financial motive to name Trump, which wasn't part of her general claim against Epstein. Furthermore, naming someone as high profile as the U.S. President could possibly get one killed, and Farmer likely knew this but did so anyway. Credit to her bravery. With Ghislaine Maxwell now in jail (currently she is seeking a presidential pardon from her old friend Donald Trump)[3], Epstein dead, and Ivana also dead, we may never know the truth about Ivana's involvement, but we see the patterns, which I think is enough.

***Trump is a Chabad Gangster. This is his mob.***

### Ivana's Polish-Bronfman connection to Epstein

This author wrote about Ivana, Trump's KGB-tied Soviet ex wife, in

parts I, IV, and especially in VI, before she died in 2022 (under mysterious circumstances, in this author's opinion)[4]. It's no surprise that Jeffrey Epstein had 14 phone numbers to the Trumps in his contact book, some of which included numbers to Ivana and even to Trump's current wife Melania, whom Epstein claims was introduced to Trump by him.[5]

From Ivana's Palm Beach home, where she allegedly went down the street to help Ghislaine Maxwell recruit high school girls for Epstein's revolving-door teenage harem, she employed the wife and daughter of Epstein's Polish national butler Janusz Banasiak.[6] The butler previously worked for a Manhattan family and ran a conference centre for the Bronfman family's Seagrams distilleries.

The Russian-Jewish Bronfman family are considered the Rothschilds of North America and became rich bootlegging during prohibition. However, the Bronfman's power was not enough to keep American heiress and daughter of Edgar Bronfman Sr. Claire Web Bronfman from prison time for her involvement in the NXIVM sex cult, which carried out sex trafficking.

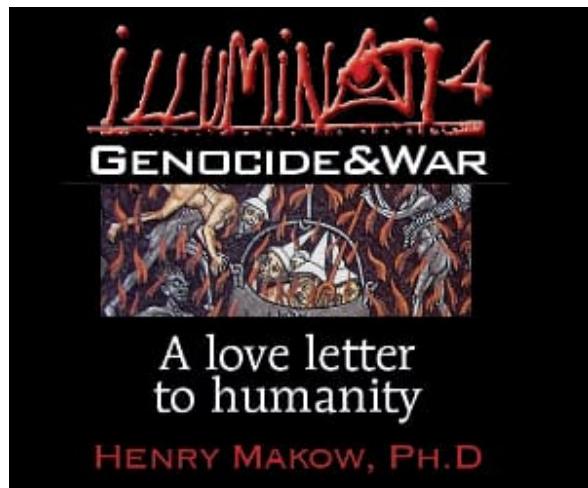

Readers of this series will remember that Trump is connected to the Bronfman's through the gay, Jewish, mobbed up lawyer Roy Cohn and Russian-Jewish mob boss Meyer Lansky and his organized crime syndicate. So important was Cohn to Trump that he regularly called Cohn over a dozen times a day. Epstein, who himself was born through two sets of Russian--Jewish grandparents, is also tied to the Bronfmans through financier Les Wexner (also Trump connected), who helped Charles Bronfman set up the Study Group, also known as the Mega Group, the same year as the fake collapse of Communism in 1991.[7] Interestingly, Epstein's little black book had not only contacts for Ivana but also for one Edgar Bronfman.

Trump has in a letter to Iran's Supreme Leader Ali Khamenei offered talks toward a deal on its nuclear program and warned that the alternative was a military intervention.

Salami downplayed Trump's offer of talks as superficial, saying, "The enemy deceitfully talks about direct negotiations under the shadow of threats. Enemies are untrustworthy and do not honor any commitments or agreements."

Oct. 7th was, in a word, BRILLIANT, ladies and Gentile-men. Vance added that unchecked immigration in the EU could have repercussions for the US, as some individuals might eventually seek entry into America. "I want Europe to thrive. In February, Vance delivered a fiery speech at the Munich Security Conference, criticizing European leaders for fearing their own voters and failing to uphold democratic values while censoring opposing voices under the pretext of combating "disinformation."

"The threat that I worry the most about vis-à-vis Europe is not Russia, it's not China, it's not any other external actor... what I worry about is the threat from within," Vance said in a speech that Trump later described as "very brilliant."

In one of the darkest nights in Syria's recent history, coordinated attacks on rural Latakia resulted in mass executions. Survivors tell of masked men storming their villages, dragging families from their homes, and carrying out public executions. Those who resisted were burned inside their homes, leaving behind entire neighborhoods reduced to smoldering ruins.

Testimonies from survivors suggest that many of the perpetrators were foreign fighters, brought in from regions far from the Middle East. "They didn't even speak our language," an elderly survivor told RT. "They had no idea who we were, no reason to hate us - except that they were told to."

Entire villages have been abandoned, their populations either massacred or displaced. Satellite imagery confirms what survivors describe - rows of torched homes, mass graves hastily covered, and ghost towns where life once thrived.

**The bloodbath in Tartus: A slaughter without mercy**

Tartus, once a thriving coastal city, has become another graveyard. HTS fighters stormed residential areas, conducting door-to-door massacres. Families were accused of supporting the government or practicing the 'wrong' faith before being lined up and shot. Those who were not executed on the spot were locked inside buildings which were then torched.

A local journalist, speaking anonymously for fear of reprisal, described the scale of the killings.

**Have you heard? Republican lawmakers in the state of Minnesota** have introduced legislation to officially classify Trump Derangement Syndrome (TDS) as mental illness under state law. (S.F. No. 2589)

This is one of the greatest acts of proposed legislation I've ever seen. And it's been introduced by Senate Republicans in Minnesota of all places. Minnesota is the state that first legalized black crime.

As you recall, when George Floyd died of a fentanyl overdose while resisting arrest for committing a felony, lawmakers in Minnesota called for defunding the police and declared that no black person should ever be arrested for any crime ever again. Floyd's bloated corpse was given god-like status and his followers, almost all of them liberal White women, declared war on White men. That was Minnesota then. Minnesota today is introducing a bill to officially label such behavior as mental illness.

Now, just to be clear, disagreeing with Trump's policies or with the man himself is not TDS. I disagree with some of Trump's policies and tactics myself. (The military strike on Yemen is a good example.) What constitutes true Trump Derangement Syndrome is the unmitigated hate that so many millions of people have toward the man himself, regardless of his policies. Just the mention of Trump's name will send such people into spastic, spittle-flying rage.

You've probably seen people like that yourself, or at least heard about them. They are impossible to reason with or engage in any type of

conversation. It's as if they are possessed by demons, which they probably are.

## NO CURE FOR TDS

There's no known cure for Trump Derangement Syndrome. Now I've written before about how there's no such thing as an "incurable" disease. All

disease can be cured and usually quite easily. But those are physical illnesses - cancer, arthritis, etc. Trump Derangement Syndrome is a form of mental illness for which no one has ever been cured.

Actually, I take that back. There is a cure for TDS, a very simple cure, but no one suffering from TDS is ever going to apply it, so it might as well be called incurable. That cure consists of praying the Rosary. Unfortunately, TDS sufferers will recoil in horror if you so much as mention that to them.

I actually wrote about TDS in a novel that I penned way back in 2016 called "*A New America*." At that time, no one had even heard of TDS and the term had not yet been invented. But I saw it coming like a freight train. By the way, everything pertaining to the future that I wrote about in that book - a work of fiction almost ten years old - has since come true.

The bill that Senate Republicans in Minnesota have introduced calls TDS "psychic pathology." Pretty strong stuff. I'm wondering if the bill passes whether Minnesotans will call the police on their neighbors and report them for signs of psychic pathology and mental illness. If so, will it then lead to an increase in the population of the state's mental institutions? I'm not sure whether most rational people would disagree

with such an increase if it helps takes mentally deranged individuals off the streets.

J

ust look at what Trump has accomplished over the last eight weeks. He's uncovered massive fraud and corruption across every level of government, he's taken great strides to end the Russia/Ukrainian war, and he's appointed Robert F. Kennedy to go after poisonous food manufacturers and drug companies. And yet millions of people are against those things. The rank and file of the Democrat Party cannot differentiate themselves from Trump the man and his policies. Neither can the upper echelon of the party, as we've seen with so many corrupt judges and other officials now exposing themselves as traitors and TDS sufferers.

Remember, too, that these are the same people who wanted to forcibly inject you during the phony pandemic. They wanted dissenters and Covid truth tellers locked away in internment camps. For years now, they've wanted to molest your children; to castrate your son and cut the breasts off your daughter and turn them into trannies. They've worked for decades to legalize everything that's sick and twisted in society today. **If such people end up in straight jackets and psych wards, would you be upset?**

**The Death of Free Speech in America?, by Philip Giraldi - The Unz Review**

**<https://www.unz.com/pgiraldi/the-death-of-free-speech-in-america/>**

Donald Trump and his band of Zionist stooges have finally hit rock bottom with their arrest and threatened deportation of a student who had admittedly helped organize nonviolent campus demonstrations against the Israeli slaughter of the Gazans. This was followed by

threats directed by Trump against a highly respected congressman who has been critical of a number of issues involving both the administration's foreign policy and congress. At heart, both were and are First Amendment free speech issues and both rely on a White House presumption that because it names someone as a "threat" it has to provide no evidence that that is actually the case. And there is the Israel exception rule in place that allows the Jewish state to avoid any consequences for its actions. Any and all "free speech" which is critical of or offensive to the foreign nation to which most American politicians and much of the fawning mainstream American media owe their primary allegiance clearly is considered outside the pale of acceptable behavior, even when supportive of every value and principle to which US governments have hypocritically claimed to adhere.

# Alfred Lilienthal - Patriotic American Jew Fought Against Zionism

March 14, 2025

(*Alfred Lilienthal,  
1915-2008*)

**Alfred  
Lilienthal  
belongs to the  
ranks of  
courageous  
Jews who  
opposed the  
satanic Jewish  
supremacist  
agenda.**

**Others include  
Myron Fagan,  
Benjamin  
Freedman,  
Elmer Berger,**

**& Henry Klein.**

**This was before Jews were forced to be either Commies or Zionists and could express their actual beliefs and aspirations without being brainwashed and coerced into advancing a suicidal agenda.**

**Today, their fight is everyone's fight.**

*from Dec 2023*

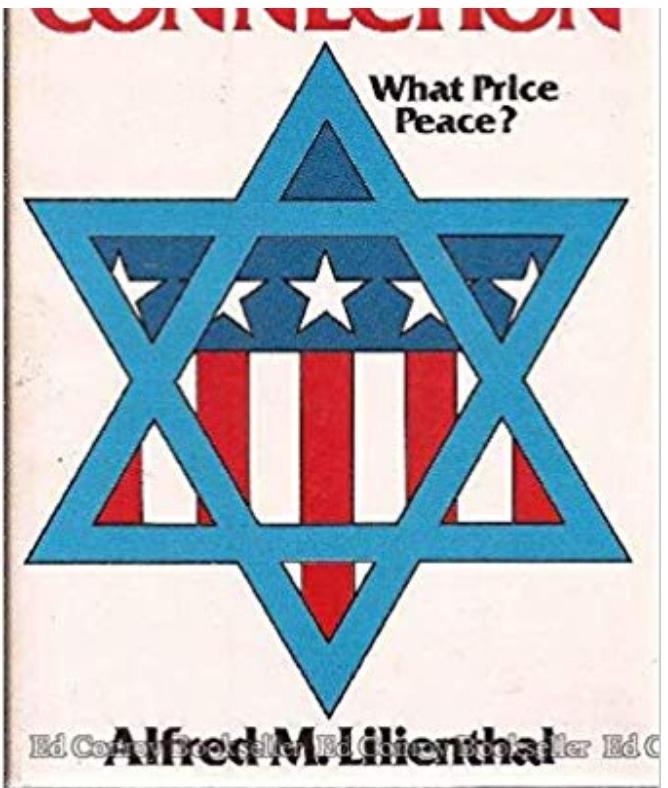

**by Michael Cangemi**  
[\(\[henrymakow.com\]\(http://henrymakow.com\)\)](http://henrymakow.com)

**Alfred M. Lilienthal was a graduate of Columbia Law School who stirred up no small displeasure with a Reader's Digest article, "Israel's Flag is Not Mine." After a negative sermon in a New York synagogue, he was awakened by a rank, threatening phone call.**

**"If you don't stop, we will have you killed. You are undoing everything we are struggling for...lay off what you are doing."**

Heroically, he did not stop. Some friends and family shunned him while others

quietly told him they agreed. In 2008, I chanced upon copies of two of his books: *What Price Israel?* (1953) and *The Zionist Connection* (1978).

*The Zionist Connection's* stark, white cover featured Israel's Star of David symbol superimposed (appropriately) over a section of Stars and Stripes. ( The Star of

David is in fact an old occult symbol adopted by Zionist leaders for the new state and has no connection to biblical King David. )

**The book's inside cover notes that the author "finds the meticulous organization of Zionism reaching into the White House, mobilizing public opinion, exercising control over Congress, repressing opposition through anti-Semitic labeling and exercising inordinate control over the media of information...endangering American national interests."**

Before 1948, Lilienthal notes there was essentially no Jew-Arab conflict. Once the new state was established, Zionist leaders "set in motion a simultaneous flow of Jews into the country and Arabs from the country."

**Quoting David Ben-Gurion, "Israel is the country of the Jews and only the Jews."**

**Lilienthal called the displacement of the 1.3 million, Christian and Muslim Arab population, a devastating abrogation of the western professed ideal of self-determination...this is the 'original sin' that underlies the entire Palestine conflict."**

## **Remembering**

### **Deir Yassin**

The Zionists employed psychological warfare and outright terrorism to drive out Palestinians and "expropriate their homes, lands and property." One of the most heinous examples was the massacre of the small Arab village of Deir Yassin, wherein a surprise attack, 250 old

men, women and children "...were cold-bloodedly murdered in their homes with no signs of fighting...I can't forget what happened there...I saw the atrocities committed..." witnessed an Israeli Haganah officer.

Lilienthal wrote that the massacre of Palestinians was "carefully concealed from the west--Americans in particular...who out of abysmal ignorance and a gnawing sense of guilt over the Holocaust accepted in toto the ideological Zionist fairy tale including the myth that the Arabs were being well treated" but in practical,

economic, human and social terms they were being decimated.

The resulting enormous humanitarian and refugee crisis that Israel created, "was virtually unreported to the American public" and constituted "a cover-up and cover-over with few parallels in the annals of man." Alfred suggested part of the reason was a "a letter by the press advisor to Israel's Washington Embassy: It advised that anyone interested in the Arab refugee problem was to be considered 'pro-Arab oriented' and hence 'anti-Semitic."

Other topics covered in *The Zionist Connection* :

- \* Dual loyalty encouraged among American Jews.
- \* The 1967 Israeli attack on the USS Liberty which killed 34 American sailors, injured scores more. The US inquiry a "white -wash." Israeli intent was to sink the vessel and blame the Egyptians.
- \* The Khazar's adoption of Judaism in 740 AD was "historical fact." Zionism's founders, Herzl, Weizmann, etc. were Khazar descendants and NOT Hebrews thus nullifying their claim to Palestine.
- \* Christians deceived and in bondage regarding modern Israel.
- \* Accused Jews and Christians of essentially worshipping the state of Israel while ignoring the moral implications.
- \* Exploitation of the Holocaust even though Zionists cooperated in sending thousands of their fellow Jews to their deaths for political purposes.

Posts on his website included two important pieces: *Liberating America from Israel* written by former Republican Congressman, Paul Findley. In the first paragraph, the 22 year veteran of the U.S. Congress states: "Nine-Eleven would not have occurred if the U.S. Government had refused to help Israel humiliate and destroy Palestinian society. Few express this conclusion publicly, but many believe it is the truth."

Another was a write up about Edwin Wright, a son of missionary parents, who did an extensive study of Zionism and learned Zionist ideology says they must have a large enough area to accommodate the whole of the world's Jewish population.

Also from Wright's writings: "It is not brought out in Zionist propaganda in America but what they claim is all the territory from the Suez Canal...to southern Turkey ...Lebanon, Syria, Jordan, and Sinai from...the Nile to the Euphrates." "This is the territory they call, "Eretz

Israel" ( Greater Israel ).

They also believe their messiah will not return until they control all of Eretz Israel.

Reading about the horrible mistreatment the Israelis dealt the Palestinians, I couldn't help thinking of a scripture, that Lilienthal also quoted: "*But the stranger that dwells among you shall be unto you as one born among you and thou shalt love him as yourself; for you were strangers in the land of Egypt: I am the Lord your God.*" Leviticus 19:34

Unable to personally respond to emails in 2008, I was told by his webmaster he had indeed embraced Jesus Christ as his Messiah. A photo on his website showed Alfred squatting down holding a young Palestinian child while several others gathered around him.

He exhibited more of the love of Christ to those unfortunates than the American Christian Zionists who blindly aided and still aid their persecutors. "*By their fruits you will know them.*"

*Michael Cangemi, is a Texas artist, 9/11truth activist, and Bible college graduate. His website: www.cangemifineart.com "I was raised Catholic, saved in Evangelical and Full Gospel circles. I believe there is a lot of good Biblical teaching within Churches. I have a problem with silence and willful ignorance in the face of deception and mass murder and the reasons it was done. I believe the Church is deceived about Zionism,*

*which they support publicly.*

"Demonstrators from a Jewish group filled the lobby of Trump Tower on Thursday to denounce the immigration arrest of Mahmoud Khalil, a pro-Palestinian activist who helped lead protests against Israel at Columbia University.

The demonstrators from *Jewish Voice for Peace* wore red shirts reading "Jews say stop arming Israel" and held up banners as they chanted "Bring Mahmoud home now!" on the lower level of the Fifth Avenue building's public atrium.

After warning the protesters to leave, police said they arrested 98 people who stayed on various charges, including trespassing, obstruction and resisting arrest.

Khalil, a 30-year-old permanent U.S. resident who is married to an American citizen and who has not been charged with breaking any laws, was arrested outside his New York City apartment Saturday and faces deportation. He is being held at an immigration detention center in Louisiana."

The book claims that Sandberg once spent \$13,000 on lingerie for herself and a young female assistant and later invited Wynn-Williams to "come to bed" on a private flight home from Europe. Wynn-Williams also accused top executive Joel Kaplan of sexual harassment and Zuckerberg of helping China to develop censorship tools in a failed bid to get his social media apps unblocked in the country.

As of Thursday morning, major retailers like Amazon and Barnes and Noble were still selling the book online.

The company has said Wynn-Williams was fired due to "poor performance and toxic behavior."

## Cheating in Early Votes is Off the Charts

Wisconsin mail-in ballots. Notice how you can't select Trump... 

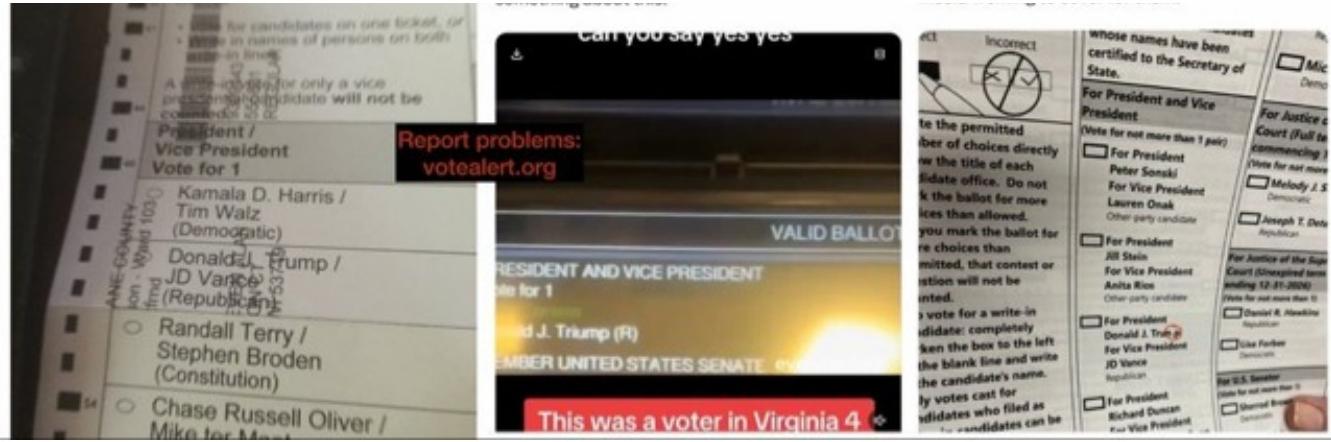

Share this  Virginia Voter shows Polling Station has the letter "I" in Donald Trump's name

They have it spelled "Donald J. Triump"

Why do these "glitches" / issues never happen with Democrats? Someone at the GOP needs to do something about this.

**ALERT:** Double-check your ballot to ensure Donald Trump's name is spelled correctly; otherwise, it might be flagged as an error by the voting machines.

The Democrats seem to be using every trick in the book to influence this election, with mainstream media working to cover for them.

**Here we are, only two weeks into early voting to select the next president, and already the cheating is off the charts.**

**By Mike Stone**  
[henrymakow.com](http://henrymakow.com))

**Ballots in Wisconsin, Virginia, and other states** have either obscured or purposely misspelled Donald Trump's name. Is that to make those ballots unreadable by the rigged voting machines? Are they fake ballots?

Three counties in Pennsylvania have been busted for fraudulent mail ballot request forms. And those are just the ones who have been caught. <https://www.thegatewaypundit.com/2024/10/third-county-pennsylvania-finds-fraudulent-mail-ballot-request/>

In other parts of Pennsylvania, American citizens, waiting in line for hours to vote, have been forced to watch as van loads of non-English speaking illegal aliens are escorted inside of the polling precinct ahead of them to cast their own votes.

<https://www.thegatewaypundit.com/2024/10/frustration-boils-as-pennsylvania-voters-witness-non-english/>

Voting lines in Republican counties have been shut down early:  
<https://www.thegatewaypundit.com/2024/10/voter-suppression-bucks-county-emergency-services-shuts-down/>

A Pennsylvania GOP committeewoman was handcuffed and arrested

for telling frustrated citizens to stay in line and vote:

<https://www.thegatewaypundit.com/2024/10/breaking-pennsylvania-gop-committeewoman-taken-away-handcuffs-encouraging/>

And an ABC news station aired a "test result"

showing Harris winning Pennsylvania by a margin of 52%-47%:

<https://www.thegatewaypundit.com/2024/10/interesting-timing-local-abc-news-station-mistakenly-leaks/>

Jerome Corsi writes that the Georgia State Board of Elections creates illegal voter IDs by the thousands:

[https://www.americanthinker.com/articles/2024/10/does\\_georgia\\_s\\_algorithm\\_is\\_a\\_voter\\_fraud\\_scandal.html](https://www.americanthinker.com/articles/2024/10/does_georgia_s_algorithm_is_a_voter_fraud_scandal.html)

In Texas, half-a-dozen arrests have already taken place for people charged with "vote flipping," while "ballot mules" in Pennsylvania have also been arrested.

And bear in mind, this is just the opening salvo.

Cheating is the only way the Democrats can win. They know it. We know it. They know that we know it. Yet they continue to do it, in part, because they know the American people will take it. And because they just can't help themselves. Cheating, lying, and stealing elections is in their nature. Remember the story of the scorpion and the frog?

Democrats are especially prone to cheat in this election, because

Donald Trump is leading in every poll, and not by a little, but by a lot. Add "Garbagegate" and Trump working the fry cooker at McDonald's to the mix and the Dems are in full-out panic mode.

**Who's ultimately behind all the cheating? In this five minute video, an Israeli company brags about rigging presidential elections for money. They are only one team out of many doing this. <https://x.com/i/web/status/1851356742044491854>**

How many of these companies have been hired to help steal the 2024 presidential election?

Get your popcorn ready. You ain't seen nothing yet.

**Martin Armstrong - the UN's Goal is Communist Tyranny 17.8. 2024**

**Reply from Savvy Granny**

Well it certainly is.

However, the UN is just the transitional decoy, the bogey 'supranational order' (Protocols of Zion 5.11). Its task is masonry, that is building the international entity which will complete the projected world order. And its task is destruction - the global depop, the destruction of nations through its climate dicta, immigration dicta, PHEICdemics, bioweapons, overseeing the communist tyranny of its regime-changed member nations.

The completed world order will be the Judaic Anti-Christ World Soviet (JAWS) under Noachide Law with all the 'smart goy masons' executed - the ones who were instrumental in the bogey 5.11. They got the Jubela, Jubelo, Jubelum script in the destruction.

*Remember the French Revolution, [which alone we call 'Great' in some translations] for the secrets of its preparation are well known to us. It was entirely the work of our hands.* (Protocols of Sion III.14)

The Supreme Soviet may have been dissolved Dec 1991, so it is no longer the base of the Great Revolution - the permanent world-wide revolution [now in its global, communist totalitarian phase].

Before it was dissolved the Supreme Soviet elected Gorbachev to its praesidium and he promptly took up residence at the Praesidio in San Francisco as the supremo of the UN - the one who dictates to the Secretary General. Under the Gorbachev Praesidium, UN Agenda 21 was adopted 1992 and he also founded the Earth Charter Commission with Maurice Strong 1997. The EC was founded 2000 for the destruction of the Western societies and economies .

**The Khazarian dynastic families of the Central Banking Cartel [the owners of this Money Trust] own the Revolution, own the UN and all its multi-lateral partners as well as the manufactured billionaires which are both Zionist (Western) and Communist (Eastern Bloc) assets of the Revolution.**

The WEF founded by Schwab 1971 officially with Henry Kissinger (unofficially). Its counterpart for the JAWS Eurasian Agenda is the SPIEF founded by Henry Kissinger (unofficially) 1997. The SPIEF was instrumental in establishing the Eurasian Economic Union for the Communist / Islamic Bloc 2014. Along with the EU(ssr) and the Global

Preparedness Monitoring Board - these are the chief 'multi-lateral' partners of the UN which handle its international operations over the captured / subverted member nations to serve UN Agenda and Earth Charter Dicta.

Is this behind Ukraine-Russia war?

destruction.  
Ukrainians would think they are fighting against

expansionist Russia, struggling for independence. Ukrainians will become fully subdued by us. The same will be thought by Russians, as though they defend their national interests.

These lands are ancient Jewish Khazaria, that is Israel. Slavs are temporary guests and subject to eviction. We will build the Great Khazaria - the Jewish state - on these fertile lands the same way as we created Israel, squeezing Palestinians out. Israelis will partially relocate here, and we will drive Slavic cattle out."

The Khazar Empire existed for several centuries until Russian Prince Svyatoslav in year 965 took both their City and their White Temple.

Wars are all about getting the goyim to kill each other.

Most dangerous people in the world. Slavs are unbending as a result of their psychological and intellectual abilities, created by many generations of ancestors. It is impossible to alter these genes. Slav, Russian, can be destroyed, but never conquered. That is why this seed is subject to liquidation, and, at first, a sharp reduction in their numbers."

"First of all, we will divide the Slavic nations (of 300 million, half of them Russians) into the small countries with weak and severed connections. For this, we will use our old method: Divide and conquer. We will try to pit these countries against each other, and suck them into civil wars for the sake of mutual destruction."

## Before you put your faith in Donald Trump, consider this: He is a **Jewish puppet** like every other candidate

He supports Israeli psychopath and terrorist, Bibi Netanyahu.  
He was grand marshall of NYC annual Salute to Israel Parade.  
His organization is filled with Jews in executive positions.  
His daughter Ivanka converted to Judaism (2009) before marrying Jewish media filth, Jared Kushner (owner and publisher of New York Observer).  
His son, Eric married Jewish media filth Lara Yunaska (2014).  
His is very cozy with many Wall Street con men and has even stated that he intends to bring in these Wall Street scumbags if elected president.  
He supported the Jewish Wall Street banking bailout in 2008.  
He's a friend of convicted Jewish pedophile pimp, Jeffrey Epstein.
